Location and area

New residential complex **Level Residence** is located in the popular [Katholiki area in the city center](#) 📍

Katholiki is one of the most comfortable, calm, cozy and prestigious areas of Limassol. Nowhere else are so many advantages of the island concentrated in this place, at the border of the old town and walk distance to seafront.

From here very close to the old town and the beautiful park **Molos**. Within walking distance are shops, restaurants, banks, all kinds of entertainments and beautiful sandy beaches.

Just a seven minutes walk from **Level Residence** will bring you to **Anexartisias street**. This high-end shopping area is literally at your fingertips and is home to many branded boutiques to satisfy the tastes of even the most discerning of shoppers.

Location and area

In old town within only five minutes walk you enjoy a vibrant choice of food and drink, with a selection of fabulous wine bars and authentic kitchens. Few of the local favorites are **Bistro 55** with an international cuisine, **Mageirio Tavernaki** with traditional local eatery, Notes Live club which is one of the most famous **Limassol night** music club.

City center living seamlessly combined with beachside fun is what makes **Level Residence** location so incredibly special. Within 12 minutes of steady ambling, passing by the beautiful old town and **Limassol Castle**, you will reach seafront **park Molos**, and walk up to **Limassol Marina**.

3 Design Approach

Design Approach

Upon entering **Level Residence** you will be immediately immersed in the character of the new luxury complex. The classy marble exterior entrance seamlessly flows through to the inside creating an inviting pathway towards your home. The highest quality finishing materials is complemented by the original designer solutions to work in harmony with the scenery and provide you a **'home at last'** feeling after a long day.

Design Approach

The structure of **Level Residence** has been thoughtfully designed to offer nice views for penthouse, whilst overlooking the beautiful Katholiki area and old town. The clean lines of the architecture and large sized windows mean bright rooms where natural sunlight can flood in unhindered.

The penthouse has an uninterrupted sea view.
